No but link to their page:  
Co.laplata.co.us I think...make sure that's right.

Do you want me to put one or two of these on the Web page?

Thanks!

Subject: Collect pool

Work today on collection pool at mine. Cement Creek 3 miles below mine. View of road damage from soil collapse on exit side lots of timber pulled out that blocked culvert on inflow side. I have a lot more pics but these give quick view. Dan B.
